- Award-Winning Advocate
- Diversity & Inclusion Champion
- Legacy Expert & Certified Coach

## ABOUT DR. PJ

With over 15 years of expertise, Porscha Jackson, PhD (Dr. PJ) is a dynamic public speaker known for delivering powerful keynotes, workshops, and presentations on career development, workplace culture, and business success. She blends real-world experience with research-backed strategies to inspire transformation.

An award-winning advocate, Dr. PJ has been recognized as the 2024 Luna Awards Woman of the Year A/E/C, 2024 Houston Business Journal's Outstanding Diversity Champion, and 2023 Government Advocate of the Year for Minorities in Construction.

She is the founder of PJ & Co., a career and business consultancy, and Successful Shoes, a 501(c)(3) nonprofit empowering women in transitional programs. A published author, her books include "It's Me, Not You: How I Survived Toxic Work Environments" and "Pursuing Legacy". Whether commanding the stage, leading training sessions, or sparking critical conversations, Dr. PJ is a powerhouse speaker who informs, inspires, and ignites action.

## Speaking Topics & Workshops

- Building a Thriving Workplace Culture
- How to Build a Legacy-Driven Business
- How to Strategically Network

## Speaking Style + Target Audience

Dr. PJ inspires and empowers audiences with practical strategies and transformative insights, delivered with warmth and energy. Her talks and workshops resonate with professionals and leaders looking to drive impact and purpose in their careers, organizations, and community.

*"Informative but also incredibly engaging, making complex topics accessible and fascinating."*
